AVAILABLE NOW!! The new 2018 Desk Flip Calendar (4.5" x 8.25") with glossy heavy cardstock pages is ready to order. The Desk Flip calendars (item: 18DFC) are \$10 each (includes shipping in domestic US). Outside US - shipping will be calculated based on location. A different picture for each month, one month per page. Pictures were taken in 2017 in and around New Jersey.

All images in the calendar are based on my original photographs which I converted into a watercolor-type format using special software giving them a soft, dreamy, impressionistic appearance.
